

Maisansalo's scenic caravan area is located in Teisko, on the shore of Lake Näsijärvi. The City of Tampere and the Särkänniemi Amusement Park is just a 30-minute drive away, and the road is paved all the way to the caravan area.

Attention! The services of the caravan area are only intended for those staying overnight and for those who have rented a seasonal spot.

The area has a variety of activities and services that are described below. There are also stunning outdoor trails in Lake Näsijärvi. There are 4 saunas and each one has a private beach. The area is open all year round. You can check out more pictures of the park grounds from our photo gallery. [GALLERY](#)
